MARBLE FALLS I.S.D. EXTRACURRICULAR CODE OF STUDENT CONDUCT

I. Extracurricular Activities

The term "extracurricular activities" means any membership or participation in groups, clubs, and organizations recognized and approved by the Board of Trustees and the school district and sponsored by the district or a campus. All University Interscholastic League (UIL) and non-UIL activities and student organizations, such as Student Council and National Honor Society are extracurricular. All extracurricular activity participants, including elected and appointed officers of all campus organizations, are subject to the provisions of this *Extracurricular Code of Conduct*.

II. Conduct Expectations

1. The conduct of the Extracurricular Participant (ECP) is closely observed, in many areas of life. No student is obligated to take part in Extracurricular Activities (ECA), nor is it required for graduation. It is stressed that this is a PRIVILEGE, and the coaches and administrators have the authority to revoke this privilege when requirements are not met by the student. It is recognized that some of the following rules are stricter than for the general student body. However, the ECP is expected to accept and to follow the established rules.
2. Our ECP's and sponsors must understand that others do not always act appropriately, but we must insist that our sponsors and participants act in a sportsmanlike manner.
3. All of our students must be on time and prepared for all phases of the activity in which they are involved. If they are not able to be on time or perform all of their responsibilities, they must communicate with their coach or sponsor as soon as possible.
4. In order to promote a positive educational and extracurricular environment for all students, all employees of MFISD are committed to upholding the "no hazing" policy as stated in the student code of conduct.
5. While a student is injured or ill but is still able to attend all activities they must report to the coach to determine what their responsibilities will be while they are not actively competing.
6. All students and sponsors should have and must show respect for each other.
7. Fighting and profanity are not suitable methods for resolving conflict.
8. Inappropriate touching, making out, sexual gestures or exposing parts of the body that are ordinarily covered up in public places are not acceptable actions in public for ECPs and will be addressed appropriately.
9. Any (possession/use) of tobacco and electronic cigarettes (e-cigarettes) are not acceptable actions for ECP's at any time and will be addressed appropriately by AD and/or Principal along with sponsor or coach.

Each individual sponsor/coach will have policies that deal with the discipline for these expectations. These policies with appropriate discipline methods will be explained before practice for the season begins. The appropriate administrator will be involved when these policies are applied.

III. Jurisdiction

Because participation in extracurricular activities is a privilege and not a right, Marble Falls ISD is authorized to set higher standards for participants of extracurricular activities than it would for those students who choose not to participate in these activities. Therefore, this *Extracurricular Code of Conduct* extends beyond the *Marble Falls ISD Student Code of Conduct* not only in types of behavior prohibited, but also in corresponding consequences and jurisdiction for imposing discipline. This *Extracurricular Code of Conduct* will be enforced with all students grades 7 - 12 participating in extracurricular activities:

- Regardless of whether school is in session.
- regardless of whether the offense occurs on or off school property or at a school-related event;
- regardless of whether the student is directly involved with the extracurricular activity at the time the prohibited conduct occurs;
- regardless of whether the extracurricular activity is in-season

It is possible that a student who violates the *Marble Falls ISD Student Code of Conduct* will incur consequences from both the appropriate school administrator and from his or her coach or sponsor for the same particular violation. It is also possible that a student participating in extracurricular activities could violate the *Extracurricular Code of Conduct* and be subject to discipline by a coach or sponsor without having violated the *Marble Falls ISD Student Code of Conduct*.

The MFISD Board of Trustees has authorized the creation and distribution of this Code in MFISD Board Policy FO (LOCAL), which states:

With the approval of the principal and Superintendent, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property. No provision of an extracurricular behavioral standard shall have the effect of discriminating on the basis of sex, race, disability, religion, or ethnicity.

Organizational standards of behavior of an extracurricular activity are independent of the Student Code of Conduct may result in independent disciplinary actions.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of organizational standards of behavior of an extracurricular activity or for violation of the Student Code of Conduct.

IV. District Prohibited Conduct

Marble Falls ISD students participating in extracurricular activities are prohibited from any violation(s) listed in the MFISD Student Code of Conduct.

V. Procedures

The coach, sponsor, administrator or DPA will determine whether an *Extracurricular Code of Conduct* violation has occurred.

Upon determination of an *Extracurricular Code of Conduct* violation, the following individuals will be notified:

- The student and the student's parent(s) or guardian(s)
- The Athletic Director, Sponsor, Grade-Level Principal, and/or DPA

Nothing in this *Extracurricular Code of Conduct* limits the authority of a coach or sponsor to impose reasonable sanctions, including extra workouts, for students who breach team or organization conduct expectations.

VI. Disciplinary Action

Coaches and sponsors will review all the facts and circumstances surrounding a particular violation and impose appropriate disciplinary action. Coaches and sponsors will strive for consistency in doling out punishment for *Extracurricular Code of Conduct* violations, but will also exercise sound professional discretion.

- Any ECP suspended or academically ineligible will be removed from all participation in all extracurricular activities. This includes travel, contest, being in the team area, and any other activities except for practices until their suspension is complete or they gain academic eligibility. (Note: A scrimmage is considered a practice. Participation in awards ceremonies and Parent night is permissible.)
- In School Suspension will be addressed appropriately by AD and/or Principal along with sponsor or coach
- Suspension/Removal from office in the case of a student office holder who commits an offense.
- Students in AEP will not be allowed to participate in extracurricular activities in any capacity or to attend extracurricular activities.
- Any student holding a Final Title 5 Felony conviction or an offense deemed severe enough by the appropriate administrator and superintendent shall be excluded permanently from holding any student office, practicing or participation in any extracurricular activity.

Coaches/sponsors will be required to hold a conference with the parent or guardian and the student to confirm the violation, discuss the consequence and notify about re-instatement

VII. Alcohol/Drug Violations

Any violation of substances eligible for testing in Section III of the MFISD Drug Testing Policy will follow the sanctions listed in Section VI of the Drug Testing Policy.

An ECP who voluntarily admits a violation within the first 48 hours of the time at which the violation occurred, will receive a reduction in the length of the suspension. It will be up to the ECP in violation to contact their sponsor, coach, or school administrator.

1st violation with voluntary admission : suspension would be reduced from 20% of regularly scheduled events to 10 %

2nd violation with voluntary admission : suspension would be reduced from 50% of regularly scheduled events to 30%

3rd violation with voluntary admission : suspension would be reduced from one calendar year to 70% of regularly scheduled events

4th violation **receives no reduction** and will result in the sanctions listed under FOURTH OFFENSE in section VI of the drug testing policy

If the violation is alcohol/drug related, the parent conference will be held by the DPA.

Note: Percentage suspensions will be based on the number of scheduled events the ECP is involved in. Satisfactory completion of that activity is necessary for the suspension to be complete. Tournaments for team sports such as BKB/BSB/SFB/Soccer, will be counted as 3 events regardless of the actual number of games played. Golf, Tennis, and other activities, in which all events are tournaments, will be counted as one event. Any cancellations that are **not** rescheduled or replaced will be counted as events. Any percentage of **.4** or less will be rounded down. Any percentage of **.5** or more will be rounded up.

*** The student must be academically eligible in order for the events missed to count toward the suspension. If a student is academically ineligible at the time of the violation, or becomes academically ineligible during the suspension, the events missed shall not count toward the required events.**

VIII. Request for Conference

A student who is removed from the extracurricular program(s) because of failure to comply with the Extracurricular Code of Conduct may request a conference before the appropriate administrator. ***The request must be in writing.***

Conferences will be held as needed on an individual basis. The conference between the administrator, student and his/her parent or guardian is to provide the student the opportunity to present a request for reinstatement. The administrator will consider only one appeal from each student requesting reinstatement. Note: a conference to request reinstatement is not needed unless the student wishes to make the request before the normal date of reinstatement.

Students who desire to participate in tryouts or elections for extracurricular activities for the following year must request a conference at least two weeks prior to the official tryout or Election Day.

If a parent or guardian and student would choose to take further action, they should request a conference with the appropriate administrator. If unresolved, the District provides for the complaint to be presented to the Superintendent. If the complaint still remains unresolved it will be presented to the Board of Trustees.

X. Acknowledgement

In order to participate in any extracurricular activity, the student and parent or guardian must sign the acknowledgement form. The acknowledgement form states that the signing parties understand the consequences for engaging in prohibited conduct.

LETTERING POLICIES

Athletic Awards: A student may qualify for a major award only in a varsity sport and only if he/she completes the season. Coaches will determine who letters according to individual sport policy and subject to approval of the Athletic Director.

Theater Arts: A student will qualify if he/she participates in the District One Act Play.

Cheerleaders: A Cheerleader has to have been a High School Cheerleader for 2 years, one of which is on the Varsity Squad.

Band: A student must be a member in good standing. A student entering the high school band program for the first time must have completed two full years of band at Marble Falls High School in addition the other requirements listed in the Band Grading and Lettering Guidelines

ADDITIONAL POLICIES

TRAVEL

All extracurricular participants represent the community, school, sponsors and coaches. Therefore, it is expected that all will dress in an acceptable manner on trips and demonstrate appropriate conduct. All Varsity athletes/UII participants making the trip on the bus will return on the bus unless in an emergency situation or when parents are present and there is good reason for returning with parents. This must be cleared with the head coach/sponsor prior to the trip. Athletes/participants are never to return with anyone other than on the bus or their own parents.

Exception: An athlete/participant may receive permission to ride with someone else's parents with prior written consent granted by the Athletic Director or Principal.

QUITTING A SPORT

Anyone quitting a sport beyond the trial period, seven practice or contest days from when the participant first began, will not be allowed to participate in another sport until the season of the sport quit is completed. The Athletic Director or Principal may, at their discretion, make an exception to this rule when an event outside the control of the athlete or his/her family causes the athlete to drop out of a sport. A clear understanding is to be reached by the Principal, Athletic Director, head coach, parents and the athlete at the time the sport is dropped.

MULTIPLE SPORTS/ EXTRACURRICULAR ACTIVITIES

Athletes are encouraged to participate in more than one sport/activity. Eligibility to participate in a particular sport/activity will not be based upon participation in a second sport/activity unless the athlete quits a previous sport. Athletes may choose to participate in other extracurricular activities as long as they are aware of the inherent conflicts that can occur. In case of a conflict, a district competition/event should take precedent over nondistrict competitions/events. Arrangements

will be made by the coaches/sponsors to allow the students in multiple events to travel back and forth. In the event the conflict occurs at the same time and arrangements cannot be made to participate in both the district event should take precedent.

DISCIPLINE

Several different means of discipline will be used depending on each situation. Whatever type of discipline is required, the purpose is to help athletes and participants improve themselves and to become better people. Failure to accept this, on the part of the ECP, may result in dismissal from the ECA.

ELIGIBILITY POLICIES

All extracurricular participants must maintain a passing grade (70) in all classes to be eligible to participate in extracurricular activities. Please check the enclosed Eligibility Dates. The UII does not consider advanced courses (Pre-Cal & AP) for eligibility purposes. However, Marble Falls ISD does. Students may be granted a one-time waiver of eligibility if they are failing one advanced course during the year. The waiver request form may be picked up in the front office.

ELIGIBILITY TUTORIAL POLICIES

Any extracurricular participant receiving a grade lower than the equivalent of 70 in any academic class will continue at least a three week suspension from events/contests until the ECP is passing all classes and has attended a minimum of 5 mandatory tutorial hours for each class that minimum passing standards have not been met.

ALL-DISTRICT ACADEMIC

The All District Academic Policy will be set by the High School Principal, Athletic Director, Band and Academic UIL Directors and the District Executive Committee of the UIL District Marble Falls ISD is assigned.

ATTENDANCE

Students must attend school all day to be eligible to participate in ECA with the following exceptions:

1. Attending a school or UIL event
2. Receiving a waiver from the Superintendent or designee for a medical appointment, family emergency, extenuating circumstances or funeral.

NOTE:

These rules apply to all sports and UIL events but head coaches and sponsors may have additional rules that their athletes and participants must follow

EXTRACURRICULAR INSURANCE

The following facts should be fully understood by, the parents and or guardians of all Marble Falls I. S. D. ECP's, who are involved in U.I.L. activities in grades 7 through 12.

1. The Marble Falls I. S. D. provides for athletic and extracurricular insurance for students in grades 7 thru 12. This coverage is for U.I.L. sponsored activities, including all U.I.L. athletic events. Your child will be covered while participating in, practicing for, and traveling to and from such an activity.
2. The insurance provided by the school is for activities that are sanctioned by U.I.L. rules and regulations. Any competition in which the student participates that is not under U.I.L. sanction will NOT be covered by the insurance.
3. Marble Falls I. S. D. assumes no responsibility as a result of injuries that occur during an athletic or U.I.L. event: however, this insurance is provided at school expense. This is **SECONDARY INSURANCE** to whatever health insurance the parent(s) or guardian(s) have for their children, and all claims **must** be filed with the primary health insurance company **first** and with the school insurance company **second**. You will need to indicate on the school insurance claim form the name and address of your regular insurance carrier.
4. Decisions about coverage are up to the insurance company. All questions about coverage and the procedures for accessing the insurance must be made to the insurance company. District employees cannot interpret the policy or provide any assistance other than limited assistance in completing claim forms.

5. If the student has no other insurance coverage, the school insurance will become the primary carrier and will pay accordingly. The parent or guardian should indicate on the claim form if they have no other health insurance.
6. **All policies have limitations.** The school insurance will pay up to the amounts that are listed in the coverage documents, subject to policy exclusions and other limitations. ***Parents will be responsible for any amount remaining after both the primary health insurance and limitations have been reached. Parents should verify that the doctor/hospital is in the network.***
7. The Marble Falls I. S. D. and its employees are NOT responsible for any costs for treatment to your child by any doctor.
8. In case of an injury, **it is the responsibility of the parent to file a claim form.** These forms are available in the principal's office, from the trainer or coach, or the Administration Office. The coaches, trainer, sponsors or administrative personnel will be happy to help complete the form; however, no Marble Falls I. S. D. employee is responsible for filing your claim.
9. As with any policy, there are policy exclusions and rules for filing claims. Please review the Policy Limitations that are listed in the brochure; you are responsible for taking all steps necessary to access the extracurricular activity insurance. Most policies have a time limitation for filing a claim.
10. Since the insurance is for U.I.L. sponsored events only, you may wish to purchase the additional insurance that is available to your child. This should be purchased at the beginning of the school year and is the same basic coverage. The AT School Coverage provides coverage for injuries that occur at school or during school-sponsored activities during the regular school year. The 24-Hour coverage provides coverage 24 hours a day until the first day of the following school year.

Eligibility

Eligibility for participation in many extracurricular activities is governed by state law as well as rules of the University Interscholastic League (UIL)—a statewide association overseeing interdistrict competition. The following requirements apply to all extracurricular activities:

- A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by the District or the UIL after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than an identified honors or advanced class.** A suspension continues for at least three school weeks and is not removed during the school year until the student is passing all classes.
- A student with disabilities who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse.
- In order for an ineligible student to become eligible the student must be passing all classes with a grade of 70 or higher after the next grade evaluation period and attend documented completion of a minimum of 5 hours of tutorials approved by the coach/sponsor.
- A student is allowed in a school year up to ten absences not related to post-district competition, a maximum of five absences for post-district competition prior to state, and a maximum of two absences for state competition. All extracurricular activities and public performances, whether UIL activities or other activities approved by the Board, are subject to these restrictions.
- A student who misses a class because of participation in an activity that has not been approved will receive an unexcused absence.

Please note: Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization. [For further information, see policies FM and FO.]

MARBLE FALLS INDEPENDENT SCHOOL DISTRICT DRUG TESTING POLICY

I. OBJECTIVES

- a. To provide a deterrent to drug use for any Marble Falls Independent School District (hereinafter referred to as MFISD) student (hereinafter referred to as Extra-Curricular Participant or "ECP") who participates in Extra-Curricular Activities (hereinafter referred to as "ECA") in grades 7 through 12.
- b. To provide a drug education program for those ECP's who test positive for drug use and for ECP's at risk for drug use.
- c. To insure the health and safety of ECP's.

II. PLAN

- a. All ECP's from grades 7 through 12 (male and female) involved in MFISD ECA's will be subject to this testing program.
- b. All ECP's from grades 9 through 12 to be initially tested at a minimum of 1 time per semester (fall and spring) each school year. All ECP's from grades 9-12 will be subject to random testing throughout the year (twice per semester). All ECP's from grades 7-8 may be subject to random testing throughout the year.
- c. ECP's selected for random testing will be chosen from a pool of all ECP's. (reference section IV.B)
- d. The method of screening is by an independent laboratory immunological screening procedure. All drugs detected by the screen will be confirmed by Gas Chromatography/ Mass Spectroscopy (hereinafter referred to as GC/MS) before being reported as being detected. ECP's admission of guilt will also constitute a positive screening. Failure to produce a sample in the allotted time period will be considered a positive screening.
- e. Certified lab personnel and professional staff will administer testing.
- f. Each ECP who is selected will be required to provide a urine, hair or oral sample to the designee during the time constraints described in Part IV.

III. DRUGS ELIGIBLE FOR TESTING:

Alcohol
Amphetamines
Barbiturates
Benzodiazepine
Cocaine
Methaqualone
Opiates: codeine, heroin, morphine, papaverine
Phencyclidine
Tetrahydrocannabinol (THC): marijuana
Steroids
Ecstasy
Synthetic

IV. TESTING PROCEDURES AND PROTOCOL

- a. **Mandatory Testing:** Every male and female ECP, grades 9 through 12, will be tested twice a year. When selected for testing the ECP will be required to submit a sample immediately upon request. All specimens will be collected adhering to a strict chain of custody.
- b. **Random Testing:** Every male and female ECP, grades 7 through 12, will be eligible to be tested during the entire school year. A predetermined percentage of approximately 10% of High School ECP's will be randomly selected by the MFISD vendor from a computer program 4 times per school year. The final random percentage number will be determined by the drug program administrator and the MFISD vendor. They will be required to submit a sample immediately upon request. All specimens will be collected, adhering to a strict chain of custody.
- c. All positive screenings will be confirmed by either ECP's admission or an additional test from the same sample that will include GC/MS testing by the MFISD vendor. A positive test result will not constitute an offense if the ECP's parent/guardian provides the Drug Program Administrator (hereinafter referred to as DPA) with a valid, legal prescription for the drug identified as positive by the test.
- d. The MFISD vendor will take the specimens to an independent lab for processing. The MFISD vendor will send the results to the DPA. The ECP's identification number will identify all specimens.
- e. Non-compliance by any ECP with the above testing procedures will be considered a violation of this policy and grounds for removal from ECA's within the MFISD.
- f. Each ECP in an ECA for grades 7 through 12 and, if the student is under 18 years of age, his or her parent/guardian shall sign a consent form agreeing to the student's participation in the drug testing program. One consent form will be required and kept on file when the ECP begins participation. If the ECP or parent/guardian refuses to consent, the ECP shall be denied participation in extra-curricular activities until said consent form is signed and at parent/guardians expense the participant undergoes drug testing with a negative result.

- g. Any ECP refusing to be tested will be subject to sanctions as if testing positive. Failure to provide a specimen within 2 hours constitutes a refusal to test. Readmission to ECA will be contingent upon agreement to participate in the drug testing program and a negative test result.
- h. Any ECP caught by DPA, testing monitors, or MFISD vendor, cheating or tampering with a specimen, will be subject to sanctions as if testing positive.
- i. The administering of the Policy and Testing Procedures and/or interpretation thereof, is left to the discretion of the DPA.

V. CONFIDENTIALITY

- a. The collection and coding of specimen samples are executed in a manner insuring total confidentiality and property identification.
- b. Only the ECP, parent/guardian, extracurricular sponsor, Athletic Director, campus principal, and the DPA will know the policy violation(s).
- c. All test results shall be destroyed when the ECP no longer has extra-curricular eligibility.

VI. SANCTIONS FOR POSITIVE TESTING

- a. All offenses are cumulative throughout the ECP's eligibility. (7th through 12th grade)
- b. The following disciplinary measures will be taken for any ECP testing positive to a drug test, and/or any ECP having written documentation reported by law enforcement officers as having been involved with drug activity (i.e.: selling, buying, use of or possession of drug paraphernalia or drugs eligible to be tested.)
- c. Any suspension shall take place in the immediate activity that the ECP is involved in. If the student is not actively involved in an extracurricular activity at that time, the suspension will start with the next event that the ECP is involved in.
- d. The student must be academically eligible in order for the events missed to count toward the suspension. If a student is academically ineligible at the time of the violation, or becomes academically ineligible during the suspension, the events missed shall not count toward the required events.

2. A fourth positive test shall result in removal of the ECP, whether in high school or middle school, from participation in ECA's for the remainder of his or her middle school and high school eligibility.

A PARENT OR GUARDIAN, AT HIS OR HER OWN EXPENSE, MAY REQUEST ANOTHER TEST OF THE SAME SAMPLE BY ANOTHER CERTIFIED LABORATORY.

<h2 style="margin: 0;">COMPLAINTS BY STUDENT/PARENTS</h2>

Usually student or parent complaints or concerns can be addressed simply by a phone call or conference with the coach/sponsor. For those complaints and concerns that cannot be handled so easily, the parent or student should first discuss the complaint or concern with the Athletic Director/UIL Director. If unresolved, parents or student athletes should follow the standard complaint policy established by the district.
